1st-Crowe 2nd-Striker Roll call: Rush-yes, Crowe-yes, Striker-yes
V107-236 Reallocation: Common Pleas Grant Returned
1st-Striker 2nd-Crowe Roll call: Crowe-yes, Striker-yes, Rush-yes
Signed: EMA Agreement: Goshen Township, City of Kenton

Lifeworks floor damage from the broken pipe has been assessed by CORSA. The lease agreement will determine how to move forward.

John Folk, **Job & Family Services** Director, reviewed the monthly update. A web site was done by his IT person, and is ready to link to the county web page. ODJFS has monitored for the last two years and have four continuous improvements to meet. They are turning in their plan to the state today. A web page is being set up to allow employees opportunity to purchase clothing, with their own money, with their logo to wear to work. OMJ report noted less clients are coming thru since pre-covid. Those visitors receive good quality service with time being spent on individuals. They are assisting the Community School with their STNA and welding classes. Transportation is being provided. GED classes will start back up Feb. 1. Other classes will also be provided. Public Assistance-Medicaid numbers are going up, Unemployment is at 3.5%. Transportation is divided between three providers. Children Services: Daily per diem dropped due to children moved to permanent custody. MOU's for Adult Care and Child Abuse is being worked on with the Commissioners being invited to the meeting. Two more resignations-three openings. Family & Children First Council still looking for a Coordinator.

The **Sanders Joint Ditch #1130** was scheduled for today. Wyandot County Commissioners were unable to attend. Commissioner Crowe moved to adjourn and reconvene January 27, 2022 at 10:00. Commissioner Striker second. Roll call: Crowe-yes, Rush-yes, Striker-yes.
V107-237.

Sharon Huston, **Hardin Hills** Administrator, 28 PCR test came back positive Wednesday. Sharon asked for a re-test thru the state and all are now negative. This testing is required at any time they have a positive test in the building. Omivron is spreading over 800% per the state Health Commissioner. They start with the antigen test, 15 minutes, and if positive then the PCR. Sharon asked for mandated Boosters. Commissioner Crowe noted when they mandated the vaccine the building was on lockdown. That is not now. Families are coming in and the environment cannot be controlled. Census at 53 today. The last 5 referrals were not vaccinated.

Commissioners sat in on a conference call for the OneOhio Memorandum of Understanding Section D (2) for the **One Ohio Foundation** Framework for Region 17. Each regional board needs to appoint a member to the Statewide Foundation Board, to ensure each have input and equitable representation regarding regional decisions including representation on the board and selection of projects to be funded from the region's regional share of between \$8,500,000-12,000,000. Limited purpose for which the funds can be spent. A meeting should be held with the townships and Mayors and select one rep to meet with Commissioners and

the Governing Board for the Region. Sandusky County will write a letter informing the Townships and Mayors and those interested should respond by the end of February. This Advisory Board will advise on-going projects for years to come. Projects recommended are sent to the State Foundation who will approve and cut the checks directly to the vendor. Commissioner Rush will represent Hardin County.

Network Teltron update: Waiting on the main courtroom area to be open. The Clerk will work with the court to set dates. A desk needs to be moved and anticipated about 8 to 10 hours work. Richard will work with Teltron on a possible notch in the underneath bay under the Court Administrator’s desk. Tim will open the courthouse Monday (Holiday) for Teltron. If not done on Monday they will work Friday. Raceway molding is at 85%. The guys will go back over and check to make sure secure. Mike Bacon confirmed the cover fell due to workers pulling wires thru and it popped off. John checked and felt it was secure and locked. Painting is pushed to the completion of the Courtroom area-Tiffany will get an update on Fri. Jan 21 schedule. All fiber completed including the courtroom area-testing results are only needed in the courtroom area. Cameras are waiting on equipment. John noted this is an open item and outside their hands as far as scheduling. Cable is pulled to all camera sites. Our Maintenance staff will hook up. Richard anticipates about an hour each x4. After the cameras and VOIP are set up, last will be the demo of exiting cables. All departments must be on new network before abandoning. Invoice: Chris did not see the USP’s listed as a line item and should be for warranty. John will provide documentation. Tiffany will list out and re-send the invoice. Chris-cameras how far are runs to cameras? John-right to actual camera with ends and labeled, where conduit. John will confirm jacks are keystoned and follow up with email. This will help with migrating. Next meeting 10:00 on Jan. 20.
