

APPLICATION FOR PERMIT
INSTALLATION AND/OR WORK ALONG COUNTY ROADS

Date: _____

Application is hereby made by: _____

(PO Box, Address, City, State, Zip Code)

Project description: (Make complete statement of type of work to be done) _____

Location: Along/across County Road No. _____ in _____ Township. Work
Will commence on or about _____ and will require _____
days to complete.

1. I/We agree to the following conditions:
2. Traffic will be maintained at all times, unless permission is granted by the County Engineer to close the road.
3. Disturbance to road surface and shoulders will be kept to a minimum and trenches will be backfilled with gravel or stone and tamped, so that settlement of the material will be minimized. If settlement does occur, additional suitable materials will be put into place and compacted.
4. Tile placed across/through the road will be either reinforced concrete, corrugated metal pipe, smooth wall highway grade plastic, or SDR-35. Cover depth shall be per manufacturers recommendations.
5. Lights, barricades, signs and, if necessary, flagmen and watchmen, will be placed on the job for the protection of traffic at all times, day and night, during the construction time. Instructions provided by the County Engineer's Department, as to the handling of traffic will be fully complied with.
6. Any drainage tile encountered will be repaired or replaced and any drainage problems arising from this installation will be the responsibility of the applicant hereafter.
7. If, in the future, improvements or relocations are made to any of the above portions of County Roads, it will be the financial responsibility of the applicant or new owners to move or relocate such installation at the request of the County.
8. I/We assume the responsibility for and will save the County harmless from any and all claims for personal injuries and property damages, and shall defend any action that might be brought due to this work.
